In case of doubt, the examination board decides if, due to failing an examination once and for all, admission to studies/enrolment will be denied.

(2) Enrolment may be denied for other reasons, this applies particularly if the applicant

With de-registration, also membership with THGA comes to an end.
- (5) The THGA's right to terminate the contract for cause with immediate effect remains untouched. Usually, there is a cause particularly if
- a) despite a reminder notice containing a deadline and the threat of de-registration the student does not pay the fees or contributions he/she is supposed to; exceptions may be made in case of social hardship,
 - b) he/she does not provide evidence of having met the obligations to the health insurance in charge according to the social code.
