

Online Registration for Exams on *meine.thga.de* with HISinOne

In order to register for an exam, log into your account on *meine.thga.de* during the period of exam registrations. Open your *Planner of Studies with Module Plan (Exam Registration)* under *My Studies*:

The screenshot shows the top navigation bar of the HISinOne system. It includes the university logo, a search menu, and a red status bar indicating the user is in 'Customizing / h1c' mode. The main navigation menu has 'My Studies' selected. Below the navigation, a breadcrumb trail shows the path: Home > My Studies > Planner of Studies with Module Plan (Exam Registration). The main heading is 'Planner of Studies with Module Plan (Exam Registration) M.Sc. Heritage Conservation 2021 (FT)'. There are buttons for 'Show Module plan' and 'Printview'. A dropdown menu for 'Events' is set to 'summer term 2022'. A search bar is present. A dark blue bar highlights the 'Structure of examination regulations - All subject related semesters' section. Below this, a list of courses is shown, with the final course '100 - Abschluss M.Sc. Material Engineering and Industrial Heritage Conservation 2021 (VZ) - 120.0 Credits' highlighted in light blue.

Make sure that you are displaying your *examination regulations* and not your *module plan*:

Examination Regulations

This screenshot shows the 'Examination Regulations' view. The breadcrumb trail is the same as in the previous screenshot. The main heading is 'Planner of Studies with Module Plan (Exam Registration) M.Sc. Material Heritage Conservation 2021 (FT)'. There are buttons for 'Show Module plan' and 'Printview'. The 'Events' dropdown is set to 'summer term 2022'. The 'Structure of examination regulations - All subject related semesters' section is expanded to show a list of courses. The course '100 - Abschluss M.Sc. Material Engineering and Industrial Heritage Conservation 2021 (VZ) - 120.0 Credits' is selected and highlighted in light blue. Below it, other courses like '200 - Gesamtkonto M.Sc. Material Engineering and Industrial Heritage Conservation 2021 (VZ) - 120.0 Credits' and '390 - Masterarbeit und Kolloquium' are visible.

Module Plan

This screenshot shows the 'Module Plan' view. The breadcrumb trail is the same. The main heading is 'Planner of Studies with Module Plan (Exam Registration) M.Sc. Material Heritage Conservation 2021 (FT)'. There are buttons for 'Show examination regulations' and 'Printview'. Below these, there are checkboxes for 'Original Module plan' and 'My modules'. The main content is a table with four columns representing semesters and rows representing modules.

Semester 1 SoSe 2022	Semester 2 WiSe 2022/23	Semester 3 SoSe 2023	Semester 4 WiSe 2023/24
Metal Corrosion and Tribology -/5	Betriebsfestigkeit -/5	Building Archaeology and Co -/5	Masterarbeit und Kolloquium -/25

i Important information for your enrollment and cancellation. Please read carefully!

Legal disclaimer for registration and admission to examinations

"I have understood that by sending the registration for an examination this registration will become legally binding. There will be no separate e-mail confirming my registration."

All registrations will be filed as admitted – however, this does not result in a right to sit the examination, for example, if certain preconditions required for the examination have not been met. The actual admission to the examination will be based on the valid examination rules and the superior decisions made by the steering committee of the university.

Please note that in the case you need to withdraw from an examination for health reasons you will need to consider our Official Announcement 30/17 of 4 October 2017 and the current information provided on the website of THGA: <https://www.thga.de/studium/im-studium/pruefungen>

Specific regulations that have been established because of the Covid-19 restrictions which apply to the summer semester 2021 are available in our Official Announcement 04/21 (https://www.thga.de/fileadmin/user_upload/TFH_Ordnungen/Amtliche_Mitteilungen/AM_2021/Amtliche_Mitteilung_04_Pruefungen_Sommersemester.pdf).

Concerning any preconditions for registration to an examination that must be fulfilled in advance, the following rule does apply: if you take the examination without having achieved the preconditions for this examination, this examination will be assessed as a failed attempt as you had no right to take the examination.

If your examination regulations state that you have to decide your study focus with the first exam registration of a study focus exam, look at the structure of your exam regulations and register the exam in your desired study focus. Once you have decided on your study focus like that, the other study focus will not appear anymore:
