

Application for the STIBET graduation scholarship for international students at THGA

The International Office of the THGA annually awards Stibet graduation scholarships to international students who perform well and are expected to graduate within one year. Graduation scholarships are also intended to enable international students in need (without their fault) to focus on their studies and graduation supporting their financial circumstances. The scholarships are financed by the STIBET project, which is funded by the German Academic Exchange Service (DAAD) with funds from the Federal Foreign Office. If you have any questions, please do not hesitate to contact Ms. Knitter (cindy.knitter@thga.de; 0234-968-3211).
